

## Press release

### Bus Simulator

## Bus Simulator available now for PlayStation®4 and Xbox One!

**Moenchengladbach/Germany, September 17, 2019** – All aboard and close the doors: astragon Entertainment and sillalive studios are happy to announce the official release of **Bus Simulator** for PlayStation®4 and Xbox One today! **Bus Simulator** for consoles is now available as a digital download in the PlayStation® Store as well as the Microsoft Store.

After the great success of **Bus Simulator 18** for PC, console players can now look forward as well to take the wheel of numerous officially licensed buses by world-known manufacturers in **Bus Simulator** for PlayStation®4 and Xbox One. They will manage their own public transport company in a fictional European based city called Seaside Valley and drive eight carefully replicated bus models by Mercedes-Benz, Setra MAN and IVECO BUS, including maneuverable city buses, comfortable county buses and extra-long articulated buses. Players can look forward to plenty of variety and a perfect bus for each of the different city districts and missions.

No matter if the player wants to steer his buses along self-created routes on his own in the single-player mode or with up to 3 additional players in the cooperative multiplayer mode, thanks to numerous, challenging missions, the entertaining progression system as well as a number of special events and features, players can always look forward to some long-lasting driving fun in **Bus Simulator** for PlayStation®4 and Xbox One.

Simulation enthusiasts searching for the ultimate bus driver feeling will be able to use a steering wheel in addition to the consoles' game controller. Exactly like in the PC version, **Bus Simulator** for PlayStation®4 and Xbox One will support the most common devices including their corresponding pedals.

**Bus Simulator** for PlayStation®4 and Xbox One is now available for 39.99 EUR / 39.99 USD (RSP) as a digital download in the PlayStation® Store and the Microsoft Store.

### **astragon Entertainment GmbH**

astragon Entertainment (founded in 2000) ranks among the leading independent games publishers in Germany. Our versatile product portfolio focuses on high-quality technical simulation games such as Construction Simulator, Farming Simulator or Bus Simulator, but also covers complex economic simulations and strategy games. The distribution of the Big Fish franchise (Mystery Case Files, Dark Parables, Grim Tales) completes our exciting product range. Games by astragon are available worldwide on many different platforms such as consoles, smartphones, tablets and PC. Please visit us for more information at <http://www.astragon.de/en/>.

### **stillalive studios**

stillalive studios is an award-winning game development team whose goal is to create dynamic and unique games. The company was incorporated in early 2013 in Innsbruck (Austria) and today counts about 20 members. We are an experienced and enthusiastic team of game developers embracing both gameplay and technological challenges, working with both Unity and Unreal. For more information visit <http://stillalive-studios.com/>.
