

astragon Entertainment GmbH is a leading publisher and distributor of video games, specialized in high-quality simulation games. Several successful game franchises in our portfolio, such as Construction Simulator, Farming Simulator or Bus Simulator are reaching a million-player strong audience every year.

We are looking for an experienced QA Lead who will lead our internal & external QA teams and be responsible for testing all aspects of astragon's development projects.

Key Responsibilities:

- Responsible for ensuring our products maintain the highest possible quality standards
- Establish, assess and continually improve QA processes
- Create test strategies and test plans
- Lead internal & external QA teams, overseeing and auditing test results
- Identify and articulate problem areas within our game development projects
- Together with your QA team: Seek and analyze bugs systematically and record them in our database

Qualifications:

Required Skills and Experience

- At least 2-4 years professional experience in the field of video games QA, including 1+ year as Lead
- Strong experience in testing video games for PC and consoles (PS4, Xbox One, Nintendo Switch)
- Experience in leading and scheduling external QA teams
- Technical proficiency and understanding of different platforms, hardware and peripherals
- Good knowledge of TCRs & TRCs
- Knowledge of common test tools e.g. Mantis Bug Tracker
- Excellent organizational skills
- Exceptional written and verbal communication skills in both English and German
- Fluent English in speaking and writing
- Proficiency with Microsoft Office applications
- Passionate about video games

Pluses

- Shipped two PC- and/or console games as Lead QA from early development to release
- Good knowledge of simulation games

We offer an inspiring work environment, a driven team and dynamic career opportunities. Apart from a competitive salary, you can expect great benefits like bonus entitlement, employer-funded pension plan, flexible working hours, free parking, soft-drinks, coffee, fresh fruits and legendary team events.

Does this sound like you? We'd love to hear from you! Get in touch and send your CV to bewerbung@astragon.de
